HIGHLIGHTED CLASSES – These classes we hope to get up and running. This relies on enrollment interest. If you are interested in this class at the listed day and time, please contact our office to be added to a waitlist. As soon as we hit the minimum number of students required to launch the class you will be contacted to start payments.

Pricing Structure: In an effort to be more adaptable for personal and global emergencies, we have restructured our pricing to a monthly membership fee, similar to a gym. We have averaged out the number of classes a student receives during the year, deducted holiday weeks, and divided the cost evenly across 12 months. This monthly fee will not fluctuate based on the number of weeks received during a single month's time.

****NOTICE****

COVID-19 continues to affect our day to day lives and businesses. California Arts Academy always has, and will continue, to put health and safety first. We are opening for live classes with strict safety precautions for all students and staff.

All who attend will be asked to take their temperature at the front desk and then directed straight to the restroom to wash their hands with soap and water. Staff members are held to this same standard.

Masks that cover the nose and mouth are required at all times at the studio.

The facility, administrative, and teaching staff will continue to disinfect all common spaces, door handles, window ledges, and barres between every class and at various intervals throughout the day.

Zoom classes are only available for students who are in quarantine due to Covid exposure. Please contact your instructor to inform them you wish to attend class via Zoom.

Please become familiar with our updated structure and policies. Our Administrative staff would be happy to answer any questions you may have about our recent changes.

We love you. We appreciate you. Thank you for choosing California Arts Academy.

Pricing Structure

In an effort to be more adaptable for personal and global emergencies, we have restructured our pricing to a monthly membership fee, similar to a gym. We have averaged out the number of classes a student receives during the year, deducted holiday weeks, and divided the cost evenly across 12 months. This monthly fee will not fluctuate based on the number of weeks received during a single month's time.

Additional Policies

Make-up Classes – Students will have 2 weeks to complete make-up classes. After 2 weeks classes missed will be forfeited.

Trials – Students are eligible for up to 2 trial classes per program at the rate of \$15 each (excluding advanced ballet, musicals, workshops, and other special programs). After these two trials are used students will be asked to enroll if they choose to continue classes.

Cancelling Enrollment – Students are welcome to cancel your CAA contract at any time by filling out the cancellation form at our front office. Cancellation becomes effective 30 days after the form is received at our front desk. Students may continue their classes during this 30-day period and any payments due within those 30 days will be drafted. After 30 days all payments will be stopped.

Annual Registration fees will now be \$35 per year, payable one year from your first enrollment. You will receive your complimentary CAA t-shirt with your annual registration fee.
